About Us

Mukherjee Global Exports Llp holds a reputation in the market for being one of the most reliable suppliers, traders, and exporters of Phool Makhana, Beaten Rice, Silk Bed Cover, Bed Sheet, Kids Toys, Plastic Material, and more. We have customized our product range, keeping in mind the requirements of our clients and current market trends. All our products are procured from reliable manufacturers in the industry. They are passed through a series of quality assurance tests to ensure that all the items that we supply are free from any kind of contamination. We pack them in sealed packets and containers to ensure that they reach our customers without any traces of dust or dirt. We are backed by our strong logistics and delivery team, which ensures that these items reach our clients within the stipulated time frame.

Mukherjee Global Exports Llp was founded in 2024, in New Delhi, India. We supply, trade, and export Beaten Rice, Phool Makhana, Silk Bed Cover, Bed Sheet, Kids Toys, Plastic Material, and more. Despite the fact that we are relatively new to this industry, we are rather knowledgeable about it. We have developed a range of items that can meet the needs of numerous people thanks to extensive study. We personalize our items based on the preferences of people and the most recent market trends and advances. In addition, we never stop searching for methods to better ourselves so that we can fulfill the expectations of our clients with each project we do.
